Travis Hunter

Postgame Press Conference

Jacksonville Jaguars 17, Houston Texans 10

Q. Hey, Travis. Obviously Coach said it was a very emotional locker room. What was it like for you seeing the reaction of beating Houston, a team that's had the Jaguars' number for a number of years?

TRAVIS HUNTER: It's a blessing we came out with a dub. We went in there, did everything the coaches told us to do. We had little setbacks, fought through it, adversity we fought through it so I was repeat excited we came out with a win.

Q. And what did you make of Josh Hines-Allen's performance today?

TRAVIS HUNTER: He did great. He did what he was supposed to do. He helped the team out, he did his job and was able to capitalize on one of the big jobs he did at the end of the game.

Q. Travis, what's it like for you when you see a guy who was struggle like Brian was today and then to come up with the big play at the end of the game? What can that do for him and what does it mean for you guys to come through in that moment?

TRAVIS HUNTER: It's just a confidence-booster for all the guys in the room. We see him has a leader. A thousand-yard receiver. We expect him to be on top of his game every game. Just to see him bounce back and block out all the noise and go do his job and do what he's supposed to do. It means a lot to the younger guys in the room.

Q. This is the kind of game that this team hasn't been able to really win the last two years, where it comes down to the end, there's one play here made, one there. Did you hear guys in there talking about and what kind of boost this gives to the confidence overall?

TRAVIS HUNTER: No, we don't talk like that. We go in there and try to win game. We go out there and do what we're supposed to do to win every game. We don't talk like that. We don't talk about what happened in the past. Just present in the future and present right now.

Q. How good was it to finally get loose and the 21 yard catch and run. How did that play open up for you?

TRAVIS HUNTER: They called my number. They gave me the ball, and I did what I always do. I do my job.

Q. And what's it like being in the room with Jourdan Lewis and what does he bring to the secondary?

TRAVIS HUNTER: He's always focused and always ready and always on top of his game so just having him in the room, you know you got to do your job because he's going to do his job. That's what he expects. He expects for all of us to do his job because we know he's going to do his.

Q. Travis, as an anthropology major, I'm curious to hear your take on the culture of the Jacksonville Jaguars maybe compared to the Colorado Buffalos.

TRAVIS HUNTER: We just got work to do. We just got to continue to win for them so they can keep coming out and showing us, showing the fan base.
