Quick Quotes

Q. Any thoughts?

MINJEE LEE: On what?

Q. Your game today.

MINJEE LEE: Obviously I didn't play very well. I had 2-over. But you know, I just didn't really hit it that good today and then I left a couple putts short for birdie. So you have days like that. So obviously I'm disappointed not being closer to the lead, but I'm really having a good time. So it's okay.

Q. How do you approach tomorrow, given that you're going to be so far back and there's only three medals. So how do you kind of look at that?

MINJEE LEE: I think just play to the best that I can. I mean, you know, as long as I'm committed to each shot and doing, going through all my processes I think I can't really complain. Nelly's like way too far ahead even medalling is not even in my radar, so I think I'm just going to try and get some momentum into next week and British Open.
