Atlético Nacional - 3, Millonarios - 2

**Q. How do you feel about your debut in Atlético Nacional?**

FELIPE AGUILAR: It was wonderful to be able to play again with the team. It was a good feeling. I loved being with my teammates and with the trainers. I believe it was a great game. I had not played for 90 minutes for a long time, and it was a good way of prepping for the next event.

**Q. What is the thing that you stressed the most about this victory of Millonarios in the United States?**

FELIPE AGUILAR: To win is important. For us it's a classic with Millonarios, and the way that we played and the energy that we had, that is part of the process. We leave very happy with how the team played, how we behaved as a team, we expect on Tuesday to have a repeat [performance].

**Q. You talk about in the (indiscernible) -- what are you going to do to continue with this good line of play?**

FELIPE AGUILAR: When we separate ourselves from the original idea we end up paying bad consequences. When we decide to attack unnecessarily we make mistakes and that can cost the game. We need to stay focused on the original idea, so that's going to lead us into more victories.
