### Quick Quotes

**Q. Really great round today, six birdies. Can you just talk me through how you found it out there on the course?**

PETER UIHLEIN: It was nice. Yeah, I played fine. I think I missed three greens, kind of made a sloppy bogey on the last.

For the most part, it was very solid, kind of the same stuff I was doing last week. Yeah, it was solid.

**Q. Obviously winning last week, how do you sort of bring that momentum into this week?**

PETER UIHLEIN: Such a quick turnaround, you kind of feel like you're still going. Yeah, I just feel like I was trying to do the same stuff and hole some putts, and I was able to do that.

The greens are obviously tricky, but they're still hole-able, which is nice. The wind wasn't as bad this morning. Picked up a little bit later, but for the most part, it was pretty good.

**Q. Is there something about these courses in the Middle East you think suit your game? Or what do you enjoy about them?**

PETER UIHLEIN: I like the wind. I do love playing in wind, so I prefer when it gets super windy. Typically around these parts it's windy, so that's a plus for me.

It's fun golf, and it's pretty. You're in the desert, but you've got this beautiful green, lush grass and palm trees everywhere, and it's pretty.

**Q. You spoke about yesterday winning this week, you'd win the International Series, and that's been a big goal of yours. How does that sort of take your mindset going into the rest of the week?**

PETER UIHLEIN: Everyone, basically, it seems like, if you play this week, you've got a chance to win the International Series. You've got to play well. You've got to keep the pedal down. You've got to be aggressive and keep making birdies.

You can't go out and just shoot 2-, 3-under par for three or four days and win. You've got to go out and make some birdies and be aggressive. So that's what I'll keep trying to do.
