### Quick Quotes

SADOM KAEWKANJANA: This is the last tournament of the year, and I've prepared well for this tournament. I'm happy and honored to be playing in this tournament where there are so many great golfers in the world. I've tried to study every good shot from them.

This is my fourth week in a row. Everything is good, driver, irons and putting are all still in good shape.

Coming to play in this zone, I knew that the wind would be strong, so I prepared well to play with the wind. Today, I started well, which made me confident. But today I played in the morning, the wind was not as strong as I thought.

Overall, I played well all day. I made only one bogey at par-3 17th but I made up for it on the last hole with a long shot putt for birdie. I am very satisfied with my performance today.

There are still three days left to play. I want to finish in a good position this week because it is a big tournament with a lot of points. I want to be in the top of the International Series rankings. But I will not put pressure on myself. I will try to have fun, enjoy my game and learn to play with world-class golfers as much as I can.
