#### Q. Happy?

TYRRELL HATTON: Yeah. Gave myself plenty of opportunities again. I got really lucky on 15, the par-5. So, yeah, you get enough bad breaks --

#### Q. What happened there?

TYRRELL HATTON: I hit it way left, and there was like a pipe in the way. The only way I could actually play the shot was left-handed, so the ball would have hit that. Then there was another pipe behind that one. So I had to take a drop from the first one, and then I got a drop from the second one. Then there was another pipe in the way when I did eventually take that drop. So I had to drop away from that one.

#### Q. But you got a par in the end there?

TYRRELL HATTON: Managed to make par. Actually missed like a 15-foot birdie putt, but that was a bonus. Yeah, we got lucky there. But a real solid day.

#### Q. How is the game feeling?

TYRRELL HATTON: I drove the ball really well yesterday, and then I've been driving the ball really nicely until I hit that one left on 15, then hit it left again on 16 into the hazard, made a good par.

Overall, it's the last event of the year, it's steady away.

#### Q. Game plan tomorrow?

TYRRELL HATTON: Just go out there and try to give myself opportunities and see if they bounce in.
