**Q. How is your game at the moment?**

DUSTIN JOHNSON: The game is fine. It's starting to get better. Obviously towards the ends of LIV season I started playing a little bit more like I felt like how I should play.

**Q. Yes.**

DUSTIN JOHNSON: You know, played okay in Manila. Got off to a good start at Dunhill and obviously with the weather on Friday was just a atrocious.

And then Sunday was really difficult. Got off to a terrible start. I think I three-putted the first four, five holes. Played really well from then on to the house.

But I feel like the game is finally starting to get back to where I'm seeing signs of where I feel like it should be.

**Q. Yeah.**

DUSTIN JOHNSON: And so that's exciting obviously.

**Q. Yeah.**

DUSTIN JOHNSON: Still got a lot of work to do. But I'm seeing a lot of good signs.
