Q. Well played today. Your first time in the event. Can you just talk about the experience being an amateur and playing in this event?

EL HALI YOUSSEF: I was excited to play in this tournament. It's my first tournament professional outside Morocco. It was very good experience. It wasn't that bad.

I finished 1-under for the first nine holes, but the second nine holes wasn't that lucky. I didn't make a lot of putts, but I'm happy to play at this event.

Q. Has it met your expectations? Is there anything different coming into today that you felt was unexpected or special?

EL HALI YOUSSEF: The special thing that I made two chips, but not a good thing that I didn't make putts. So it's like we have good things and bad things.
