**Q. What did you think of your performance today, and how was the overall condition?**

KHALID ATTIEH: Condition was really nice. The course is playing lovely. I think the team of Golf Saudi and the agronomy team did a great job setting up the golf course, so it was beautiful to play.

Performance-wise, obviously wasn't the best today, could have been better. Just a little bit struggling with the putting on the greens. Had a few short misses and killed momentum a little bit.

But looking forward to tomorrow. I think swinging nicely, so definitely excited to go out there early tomorrow.
