Q. Talk about your second round.

KHALID ATTIEH: Yeah, I mean, was a lot better today. Felt like I played really well, hit the ball really well. Had a lot of chances on the front nine; unfortunately didn't drop.

Felt like I was still putting well and got a few on the back. Just I think a small error on 17 made for a bogey there. Was kind of pushing to make the cut, so I knew I had to make a few birdies coming in.

Got a good one on 15 and another one on 16. Unfortunately I think I'm going to be a little short this year. It's okay. There are a lot of positives to take from the round today so very happy.

Q. What got you going today?

KHALID ATTIEH: I think a little bit of mindset. Just kind of freeing it up a little bit and just thinking of just hitting good shots and not thinking of externals. So I think that kept me really focused in my targets.

So I worked with my golf coach a little bit yesterday on mindset and approaching today's round and knew we had to go out and shoot a low one, so I was attacking pins from the getgo. I think I about that very well. Unfortunate to miss a few on the front, and then I think it was a good round overall.

Q. You said that you had some key takeaways from the week. What would they be?

KHALID ATTIEH: Yeah, it's just lovely to be around such atmosphere. Lovely to be around such world class players. Asian Tour, and I mean, LIV guys are world class. Being a young pro, I've just turned pro about a year now, and just trying to soak it and gain as much experience as possible and apply that to myself on and off the golf course.

... when all is said, we're done.®
