**Q. 6-under par today for 11 total. How would you analyze the round today?**

TYRRELL HATTON: There was a lot of good stuff out there. Generally drove the ball pretty well, and, yeah, holed some nice putts.

So overall decent day.

**Q. It's been a long season. You played 20 plus events from early in the year to now. How hard is it to stay fresh this late in the season?**

TYRRELL HATTON: Yeah, it has been a long year, but I guess you try and find your own motivation to play well. So, yeah, try your best.

**Q. Your game this week, are you pretty happy with everything, how it's going?**

TYRRELL HATTON: Yeah, I mean, like I said I drove the ball very well today. My wedges weren't as good today compared to how they've been over the past couple weeks. Hoping that's just a blip and they'll be better tomorrow.

But the course gives you plenty of opportunities for birdies and hopefully I can take advantage of that.
