Q. Very well done for making it and for playing amongst these great players. How do you feel about your game today?

REDA EL HALI: My game today wasn't bad, just my putting. I missed my putts today, but yeah, I'll take it. I have one more day, and I hope I can do well tomorrow.

Q. How were the conditions out there? Do you think anything contributed to your game?

REDA EL HALI: Yeah, the flags today was so hard because I can get like two putts today because there's a lot of slots in the flag position today. I got some three-putts today.

I'm going to work more for my putting, for my speed also, and tomorrow it will be nice tomorrow.

Q. How do you feel about just playing in Saudi?

REDA EL HALI: The course is really good. I like it. Then the weather, I think, is better. We are in the best moment, I think, because if we are in like January, something like that, it's going to be so hot. I like the way the golf course was amazing.
