## Scott Vincent

### Quick Quotes

#### Q. Were you nervous going into the round today?

SCOTT VINCENT: Yes, very.

#### Q. Walk us through your process, like preparing for this round.

SCOTT VINCENT: I woke up at about 4:30, which was two hours before I was hoping to. Then you start playing all the different scenarios in your head, which was not what I was hoping for.

Yeah, I kind of just -- I wanted to come out here and just play freely and give it my best, but yeah, I was nervous. Obviously not knowing and not trying to look at leaderboards, you don't know how much of a cushion you have. You don't want to be the guy who's ahead and loses, all those things.

Once I kind of got moving and got into my routine and putting and range work, I definitely did settle down. Yeah, I just didn't play great today, but obviously the season was enough.

#### Q. When you said like there's a scenario playing in your head, do you do a little bit of calculation?

SCOTT VINCENT: No, I tried to stay completely away. I kind of knew that, unless someone probably finished in the top five or so or two people did that, I was probably okay. I don't typically look at leaderboards, but today I was looking a little bit. I didn't see anyone there.

#### Q. How are you feeling knowing that you're playing LIV Golf again next year?

SCOTT VINCENT: I think it's still settling in. Right now all I want to do is go see my family. Yeah, we'll head towards them tonight, and can't wait to see them.

#### Q. On the International Series, how is the opportunity? How do you think about the opportunity, the pathway that you're currently taking back to LIV Golf?

SCOTT VINCENT: Obviously very thankful. It's great that this has worked out for me. I don't know who the other person is, but for both of us, it's going to be great.

Obviously I kind of know what I'm going to, and I'm looking forward to that. It's going to be a great challenge.
