Investment Advisers

**Q. Obviously a great week. Not the finish that you were hoping for, but can you summarize your final round?**

CALEB SURRATT: Yeah, it's hard. I finished runner-up at this event last year. So it's tough. I feel like I'm overdue on my first win. I definitely had that in my mind today. Just getting off to a bad start really hurt me. Jose was beating me by four shots today through three holes.

He's an amazing player, props to him. I'm sure we'll have many, many good battles.

**Q. Obviously returning here in February for LIV Riyadh. Any positives you can take away from the week?**

CALEB SURRATT: Absolutely. I know that my game is getting better. This week it does nothing but validate that even more. In a few months rest time, this will be an awesome place to start the year.

**Q. Last event of the season. What are you looking forward to going into the next season?**

CALEB SURRATT: I think just the opportunities, right? I feel like I -- I'm very close to start winning some golf tournaments, and I think, if I can just continue to have a good off-season, get more consistent, I think the time's coming.
