GARDNER MINSHEW: What's up?

Q. Gardner, we just got done talking to AP about the performance. This was not indicative of how his teams have played. What do you think happened today?

GARDNER MINSHEW: Uh, yeah, just a lot of bad, just not good enough all around, you know. Thought we came out a little flat today, you know, just didn't have the execution, the focus to sustain drives and stay on the field and that was frustrating.

Q. In 12 quarters, only about a quarter and a half in Baltimore has this offense looked on fire. What's it going to take, Gardner, to get this moving in the right direction? There's plenty of talent.

GARDNER MINSHEW: Yeah, I'm not sure, man, honestly, I think we're going to have to go watch this tape, watch our tape previous, figure out what we're doing well, figure out what we're doing not and just continue in the process, man. I think AP was talking about it in the locker room, not riding the roller coaster, not following the ups and downs, but continue to try to get better and if we do that, we got the right people to do it, we're going to be all right.

Word. Thank y'all.
