## Stephanie Kyriacou

### Quick Quotes

**Q. First LET event of the season. Wondering if you can tell me, Steph, what you're hoping for, some of the ambitions for this season. You tied ninth for this event in November. What are you hoping for this week at Royal Greens?**

STEPHANIE KYRIACOU: I made a couple swing changes over my time off, so just trying to get them dialed in. I love the course. It's going to be a pretty windy week. (Indiscernible). Hopefully come out with a win.

I'm not looking too far ahead. It's just the start of the season.

**Q. (Indiscernible).**

STEPHANIE KYRIACOU: Yeah, I'm going to be playing a bit in the States as well this year, so hopefully a win there. (Indiscernible).

**Q. It is quite windy. As you look down the fairway, is there anything particular you're going to be focusing on this week?**

STEPHANIE KYRIACOU: Not really. I'm just going to play some golf. (Indiscernible).
