## Najwa Salhab

### Quick Quotes

#### **Q. What was your experience? Any special thing you learned?**

NAJWA SALHAB: It was really fun playing with Annabel, and she gave us a few tips while we were on the course. I love that. I hope that I can apply them. It's different when you learn from a pro and she was watching us play, which was amazing. Her main advice was just have fun, which I love that.

So it was really great. We got really good weather, got great tips. We got to walk. It's only my second time walking this course. We did it at the last event and now. So overall, an amazing experience.

#### **Q. I heard she was your coach two years ago?**

NAJWA SALHAB: Actually, the last Pro-Am she gave me tips. So she was showing me how to hit the ball. So it's really nice to come back on the course and to actually play with her. She also corrected me while we were playing, so that was amazing.

#### **Q. What do you think is Ladies First Club's part in this?**

NAJWA SALHAB: Amazing conditions. To be able to come out and play and really enjoy the game, they're making it so much fun. It's so much more enjoyable. Every time we come, it's such a good experience. So happy to come here.

#### **Q. Would you advise more girls to join Ladies First Club?**

NAJWA SALHAB: 100 percent. 100 percent. It's amazing.
