## Anne Van Dam

### Quick Quotes

**Q. A score you can be pretty proud of. Tell me about your round.**

ANNE VAN DAM: Yeah, it's probably one of the best 3-unders of my career. Not one shot was easy out there. Normally you think into the wind is tough, but downwind was almost tougher to keep the balls close. Overall very pleased. I hit a lot of good shots and actually created some good chances and holed a few good par putts. Yeah, good grind today.

**Q. Birdie at the end, but almost in the water, wasn't it.**

ANNE VAN DAM: Yeah, it's tough. 3-wood, I'm not carrying the bunker, and with a driver it's a tough landing spot and it kicks a bit left. That's the risk you take. Yeah, it worked out and I had a nice sand wedge in there which made it a lot different from yesterday when we played it into the wind. Yeah, happy with my position.

**Q. You looked like you were having a lot of fun out there. I see you've got a different caddie this week who seems working out for you.**

ANNE VAN DAM: Yeah, I just have a friend on the bag. Yeah, very happy with (indiscernible) carrying the bag. She's learning more and more every hole. She's lasering now with the laser.

**Q. (Indiscernible).**

ANNE VAN DAM: (Indiscernible) on Instagram. Yeah, it's blowing that hard when you're tall even just standing there.
