Quick Quotes

Q. Just state your name, country, and age for the record.

EMILY PEDERSEN: Emily Pedersen from Denmark. I'm 26 years old.

Q. Emily, can you tell us about your participation in the tournament so far?

EMILY PEDERSEN: Yeah, it's been okay. I'm not 100 percent playing my best. I have a lot of birdies, which is good. Still a few too many mistakes. So hopefully I can remove some of them tomorrow.

Q. Obviously, you won the tournament in its first edition. The tournament has now reached a third edition. What do you think of the lineup and the strong field year after year?

EMILY PEDERSEN: I think it's good. I think the golf course is great. They set it up really, really nicely. It kind of feels a little bit like a major when you walk around here, which I think is the reason a lot of good players come and play it.

Q. So it's about the youngsters who would like to take up on the game. Obviously we saw a lot of programs done here, Ladies First and what have you. What advice would you have for those who would like to pick up the game?

EMILY PEDERSEN: Just do it really. If you can find someone to do it with, I think that's great, but it's a great sport that's going to give you a lot. So just don't be scared to do it or to fail. But just do it to start with.
