Quick Quotes

Q. Very well played out there. Great round of 65. How do you reflect on that?

ATTHAYA THITIKUL: I mean, like it's really good start of 2023 season as first round, and then had a really good round today with Lydia and Charley, and also she had a really good round, too. We both do have.

It's kind of like remind me in the final round of like two years ago, so, yeah.

Q. Yeah, you were both playing exceptional golf and made the most of the conditions, because on this course it's the wind in the afternoon that really is the killer. This morning you took advantage.

ATTHAYA THITIKUL: Yeah, it's nice to play in the morning like this course because it's always windy in the afternoon, so we'll see tomorrow how it's going in the afternoon.

Q. No changes in your excellent scoring, but a little change in your swing. Little or big change, that is what we were discussing. How would you assess the changes in your game?

ATTHAYA THITIKUL: Actually my coach, he just told me it's changing, and he always told me it's adding something on it. It's just like, no, it's called changing. Yeah, it's a little change. Not a big change; just a little adding on it, like just a little on the weight distribution.

Q. The idea is to try to keep you a little bit more accurate? What is the reason behind the change?

ATTHAYA THITIKUL: I think he wants me to hit it a little farther. Yeah, maybe it's because of that. But we're trying to hit farther but also we don't want to like just not farther but not really accurate, so we trying to keep it on track.
