## Ashleigh Buhai

### Quick Quotes

**Q. Ash, very good second round here in Saudi. How do you cope with obviously much stiller, warmer conditions this morning?**

ASHLEIGH BUHAI: Yeah, obviously it was a nice change. I think at the moment we definitely got the bad side of the draw this week, but that's how it goes.

Yeah, pretty steady and happy with how I played this morning.

**Q. Obviously finished top 10 on the LPGA few weeks ago. What have you been doing in the period in between?**

ASHLEIGH BUHAI: Been working hard. Been back in Palm Beach Gardens where I'm living now in Florida and just practicing and training and trying to get ready for this stretch playing four weeks in a row.

So, yeah, trying to sharpen up the game, and happy with the first two days.

**Q. And then in terms of the weekend, what are your expectations? Obviously hopefully it will be calmer looking at the forecast.**

ASHLEIGH BUHAI: Yeah, to be honest, I don't mind a little wind. I always think just brings an element and makes you hit golf shots. I think course needs a little wind. It's its only defense.

So just even out the field a little, and then we'll see what happens on the weekend. But if I keep doing what I'm doing, hopefully I can have a good finish.
