Quick Quotes

Q. Very well done. Consistent couple of days here in Saudi. How have you found the first two rounds?

LISA PETTERSSON: You know, yesterday it was super, super windy. I don't think I played in worse conditions like that honestly. It was like three, four clubs and it was a guessing game of how much the wind would do.

But today a lot calmer, so it was a little different course I would say. But, yeah, played really solid both two days and just gave myself a lot of chances and taking the opportunities.

Q. What would you say is the strongest part of your game over the first two days?

LISA PETTERSSON: I would say my short game and my putting. I mean, I've hit it close multiple times, but you still have to make those six to eight footers. I saved a couple of times today with some long chips and bunker shots.

So, yeah, probably say that.

Q. And how have you found the start to the season? Obviously your third week in a row on the LET.

LISA PETTERSSON: Yeah, you know, it's just -- it gets better and better I guess. In the beginning it's a little like you don't really remember exactly your routine and how you're doing it and everything. The more you play the better you get.

This is the most important tournament this year because of the prize money, so I'm happy I played the first two events to get going and get into the grind a little more.
