Quick Quotes

Q. How do you shoot 66 in these windy conditions? That's amazing.

LILIA VU: I think the wind helped because it helps you play one shot at a time.

Q. There was one hole, the sixth hole, that was so difficult. I mean, you were hitting a driver. How far did your driver go into the breeze?

LILIA VU: Well it was 200 to cover the left bunker and I was just right beside it, so my driver went 200 yards and I had 4-iron in.

Q. I could imagine today it's a lot of 4-irons out on this golf course. What's the key to playing this course well?

LILIA VU: I think today the wind is a little different from yesterday so we had to adjust to that, but just playing one shot at a time.

Q. Great year to be playing well. Solheim Cup is on the horizon. You're right in the mix. What would it mean to be in the Solheim Cup representing the States this year in Spain?

LILIA VU: Oh, my God, it would be the biggest honor. To represent the United States is a dream of mine. I've always wanted to play in Solheim Cup, so looking forward to that.

Q. If you keep on shooting 66s like this in difficult conditions, Stacy is gonna be paying attention. Good luck this weekend.

LILIA VU: Thank you so much.
