## Lilia Vu

### Quick Quotes

**Q. Lilia, dinner is going to taste good after that putt on 18.**

LILIA VU: Thank you. Yeah, it was really fun.

**Q. Yeah. Tell us about it. You hit it on the front edge of the green, the par-5. What a way to roll in an eagle. What kind of putt did you have?**

LILIA VU: I had a really long putt from the front the green, back left pin. Was about 24 paces, and I just hit and hope on that one. (Laughter.)

**Q. Well, you hit, hoped, and went in. Gives you the lead going into the final round. This is a massive event. \$750,000 first place. Are you thinking about that? How are you out there today?**

LILIA VU: I find I play my best when I'm having fun, so I'm just going to try and do that tomorrow.

**Q. Yeah. Going to be playing with Lydia Ko again, world No. 1. You're just moving up in the world rankings, making a really impression yourself. How much do you enjoy playing with her?**

LILIA VU: I have a lot of fun playing with her. I mean, when you play with good players you tend to play better, and she just hits the ball so well.

It's been fun.

**Q. I bet. You're striping the ball beautifully. What has been the key for you this week? When you look at your own game, what are you particularly proud of?**

LILIA VU: I was actually a little nervous coming here because it's the start of my season, first tournament of the year for me. I felt kind of rusty coming through.

And then once I started to trust myself the game just got better on its own.

**Q. You have the lead and we wish you all the best of luck tomorrow.**

LILIA VU: Thank you so much.
