Quick Quotes

Q. Great week for you out here on tour. What a start to the season. You came so close to a playoff here. In the end just short, but nevertheless, what a week.

ADITI ASHOK: Yeah, it's been a great. I think 20-under on this golf course with the wind that we had on some of those days, I think it's a pretty good score.

Q. Were you aware of the position that you were in heading down the last few holes, what you needed to?

ADITI ASHOK: Yeah, I knew I needed to make a few birdies. I knew where I stood after 9 when I saw the leaderboards. Didn't do much until 14, so last few holes -- yesterday I birdied three of the last four, so I tried to think that it's possible today, too, and I ended up birdieing two of the last four, which was good.

Yeah.

Q. I bet you wish this week was just continuing, there will be no break at all. How are you going to try and bottle this and keep this momentum going? Obviously it's million question, but any thoughts?

ADITI ASHOK: Yeah, it's just I was at home for two months. I didn't really know where my game was at. Obviously these three weeks I played really good on different golf courses, different weather, so I know my game is good.

I'm just going to go back home and do some of the same stuff I did the past two months, and hopefully I start back -- I pick it up right where I leave it.

Q. You're dominating the race to Costa de Sol at the moment. Obviously you want to keep that going throughout the season. Also a huge paycheck on offer here this week. I've got to ask, what are you going to spend the money on?

ADITI ASHOK: Nothing. Probably just going to save it, yeah.

Q. Not going to spend any money on diamond earrings or first class travel?

ADITI ASHOK: No. I mean, I watch a lot of movies and stuff, so maybe trying to get more streaming services because I only get one for right now. Maybe I'll get all of them. That's it. (Laughter.)

Q. Nothing for the dad?

ADITI ASHOK: Oh, I got to ask him. Yeah, I don't know. But, yeah, maybe something for the dad. And mom, too. Can't leave her out.

Q. Maybe he'll give Netflix to her.

ADITI ASHOK: Yeah, going to share the password, so it's all good.
