Quick Quotes

**Q. After shooting a very good opening round of 15-under par, Caroline, how were the team? Were they well behaved today?**

CAROLINE HEDWALL: I'm really pleased with my team. I mean, this was a really great team effort today. We all had some bad holes, but we never dropped a shot today and that was quite incredible. It was great. I mean, had a lot of fun out there. Really happy with my team.

**Q. Excellent. Now Virginia, it was quite swirling conditions. It's a long golf course. It's a good thing that you bomb it off the tee, because that would've helped.**

VIRGINIA ELENA CARTA: Yes, it is a lovely golf course, I must say, so it's very challenging. But as a team, as Caroline said, we just did so well and complemented each other, so that really helped.

**Q. Your mom was on the bag. Was she looking after all you today?**

VIRGINIA ELENA CARTA: Sure. She survived.

**Q. Well you seem to have survived a round with Hannah Burke. Hannah, there was a cheeky eagle out there today on the 11th. Very well played. That certainly helped the complexion of the team's scorecard?**

HANNAH BURKE: It did, yeah, yeah. Good little hole-out on 11, so it was good. Yeah, Caroline just told me to hole it, so I thought I would do as I was told and just put it in.

**Q. You're very well behaved.**

HANNAH BURKE: I know, which is unknown for me. (Laughter.)

**Q. And to your amateur, Xinyu, you're just 16 years old. How did you cope playing with these three? Was it a great experience?**

XINYU CAO: I was a little bit nervous like first hole, but change a little bit. (Plane interference.)

**Q. She's good, Hannah. Very good. Give us a pose of like a winning team at the halfway mark. How are you going to look?**
