Quick Quotes

Q. The clubhouse leaders in the team event are right here. Pauline, wow, those were two very good birdies to make on 18. Did you know what was at stake?

PAULINE ROUSSIN: Yes. We could see our names because it's a pretty big board.

So, yeah, and it definitely puts more at stake, and -- but I think it's funnier. I think it's something that we all like.

I mean, it actually was a nice picture. We had fun on that last hole, two birdies to finish. I think it's nice. It's great.

Q. It's excellent. Nuria, that was a that was a very good birdie. Gosh, some difficult shots, difficult holes aren't they down the stretch. 15 you made some birdies there, 17, that par-3, really can prove to be a bit of a headache.

NURIA ITURRIOZ: Thank you for that. Yes, Pauline carried it perfectly. We're really happy for the tournament, for the day, and (Plane interference.)

Thank you, Pauline. Thank you Jared. Yes, I'm happy with the score.

Q. Patricia, very good round from you as well to be in contention going into the final day. When you look, do you think that 28-under is going to be enough?

PATRICIA ISABEL SCHMIDT: Well, it's my first ever amateur, so it's hard to say, but I think we had an amazing team spirit, so that's a blast as well.

Q. I'm sensing some team spirit here. Jared, are you

one of the luckiest men in Singapore right now laying with these three excellent players?

JARED TANG: Most definitely. Been enjoyable two days.

Q. And you contributed as well. Good team player.

JARED TANG: Thank you. But most of them because of the two of them. Thank you so much.

PAULINE ROUSSIN: You helped a lot. You helped on the par-5s and you had that birdie on the third hole. That was key to be honest. Good job.

JARED TANG: Teamwork.
