Q. What are your preparations for Aramco Team Series London?

TVESA MALIK: Nothing different from any other week. Just kind of get to know the course, and I think the course is playing a little bit different from last year. And they had the big development here last week, so I think it's in really good condition and just to kind of understand the greens a little bit better and spend a lot of time chipping and putting around the greens.

Q. What are your preparation for the next coming events for the summer?

TVESA MALIK: I mean, I'm going to take -- I have a few weeks. It's quite a busy summer. We have a lot of tournaments going on so I'm playing for the most part but I just go back home whenever I can and work on the, swing, and yeah, just make the changes that I need to make and make sure the game is still feeling good for the rest of the season.

Q. How does it make you feel being one of the Indian professional players playing in the ATS?

TVESA MALIK: It's very cool. It's a fun format and I think we have gotten used to playing it now. It's a fun week. It's very different from the rest of the week we have, so I quite enjoy it.
