Quick Quotes

Q. What are you looking forward to? What is your ultimate goal?

DIKSHA DAGAR: I'm excited to play here and perform well again, like the last year I did, I played very well, very good golf. The goals last year, I was in very good form, and I played consist golf. I go from very well in Czech Republic and Sweden and also in London.

So I'm hoping that, yes, I'm very confident and I believe that I'm much better than the last year, and now I know very well about this course, and I really love the greens here because here for me is very easy for me to read. Because last week I played in Sweden, it was tricky for me. I couldn't read the greens, and some players have different skills.

Q. What are you most excited about in the season in general, not just in ATS.

DIKSHA DAGAR: Most exciting is Aramco, it's always fun to play because there's a big team, and there's also a team format, and you help each other and it's so fun. Yes, there's good energy and you play and plan. There's a team spirit, also.
