Q. Can you talk about your experience in general playing the Pro-Am?

JOHANNA GUSTAVSSON: It was quite good fun. We had a good day. Nice to see -- I haven't played that many Pro-Ams with girls yet, so that was great. They hit the ball good, and I was impressed. There were a few of them they only played for a few years. It was good.

Q. Do you think they learned something seeing the techniques from you up close?

JOHANNA GUSTAVSSON: I hope so, a bit of green reading and stuff like that, yes.

Q. What would you say, like what are you aiming for their future and like other females in Saudi, because the game is growing right now?

JOHANNA GUSTAVSSON: Yeah, it's good. It would be great if there would be more girls coming out of Saudi playing golf, of course. Just hope for that.

Q. Anything funny that happened or something to remember that happened today?

JOHANNA GUSTAVSSON: I mean, there was a lot of nice shots to remember I think and a lot of laughs, so it was good, yeah.
