Q. Ana, two rounds, 68 and 69; 7-under tournament. How do you assess your position in the tournament and your day today?

ANA PELAEZ: I think I'm in a pretty good position. I think I played well than what my score shows but still have tomorrow, and hopefully I can bring my AA game and have a nice round.

Q. Your double A game.

ANA PELAEZ: Yeah.

Q. So when you say you feel you played better than your score is what you mean, what it reflects.

ANA PELAEZ: Exactly. I hit really good shots. Putts were good. Just weren't going in. It is what it is. It's golf, and I'll take the positive and work with that, yeah.

Q. Very nice with such a tournament local to you, very nice that you're in such good position and playing so well in front of your friends, family, and in a big event. Must make you feel satisfied, pleased. I know that was the aim at the beginning of the week.

ANA PELAEZ: Yeah, I guess delivering on the expectations is always nice. I'm just focusing on my game really. Just putting in the work and it's happening, but still have one more round tomorrow. Yeah, it feels good. Feels good.

Q. Last question: Jess is on 15-under. Does that kind of feel in a different country or can she be reached?

ANA PELAEZ: No. I still have 18 holes. Nothing is impossible. Maybe I have my 12-under round. I don't know.

Q. Your triple A game.

ANA PELAEZ: Yeah, exactly. There you go. Yeah, doesn't feel like different planet. It'll be harder than if she was closer, but it's never impossible.
