team series

Q. Team is in the lead. How nice is it to be a team captain this week?

ANA PELÁEZ: Very nice. You know, sometimes I /W-RB I was the picked one, but honestly when I have a group like I have this week, I feel really good being the captain. They did a really, really good job in today's conditions. It was fun. We had a great time out there, so, yeah.

Q. What's the key to doing well on a course like this, obviously conditions are tricky, but in general on a links-style setup, what do you think your team needs to do well for next round?

ANA PELÁEZ: Yes, most important I think is to be patient. Sometimes you're going to hit the best shot and you're not going to have the best bounce or stuff like that. So I think being patient and just taking one shot at a time is going to be key.
