**Q. I see smiles here for the team. Tell me about why there are a lot of smiles here?**

CELINE HERBIN: I think we played very well today. We kind of struggled but it was better, Nelly and James played very well. They put a lot of points. James made a lot of great birdies today. Yeah, we had a great time out there.

**Q. Tell me the truth about James.**

NELLY KORDA: He did. He actually made a lot of putts. It was honestly a team battle today. The weather wasn't that great so we were all saving each other and thankfully we all had each other's back. We played pretty well today.

**Q. Talk about the conditions.**

NELLY KORDA: You know it was pretty windy and then it started kind of raining toward the start of our back nine and it stopped around 14 and the wind died off a little as well but overall it was gusting pretty hard today.

**Q. James, you had a great chance to see some pretty good golf swings out there.**

JAMES RAWSON: Absolutely amazing. What they didn't tell you is my putting is to them -- because I cannot read a putts. I'm terrible at reading putts and these ladies were a huge help for me. So great to play with them.

**Q. And the strategy for tomorrow?**

JAMES RAWSON: Just keeping aggressive. Hopefully the putts drop and we'll see how it goes.
