Quick Quotes

BRICE BUTLER: It was fun to play with them and just seeing them do their thing. I was trying to keep them as loose as possible. That was really my job, keeping them loose. But it was good. It was fine.

Q. 1 out of 10, how would you rate your golfing skills?

BRICE BUTLER: I shot really well for tournament golf but I don't play tournament golf. I'm a 6 handicap. I shot 81 yesterday and 83 today. I kind of slipped in -- I was 90 yards off the flag which didn't excite me. But my performance, 7 out of 10. Like I said, I don't play tournament golf.

It played tough yesterday with all the rain but today it wasn't as tough but still, as a whole, I want to say 5 out of 10. I'm decent.

Q. I have a few football questions for you. I know you were on the 2016 team when Dak took over for Romo. You how would you compare that Cowboys team to this year's?

BRICE BUTLER: Cooper is not taking Dak's spot; as soon as Dak gets back. I would say there's really no difference in the team. I feel like there's less, like, I guess you could say star power right now on offense. I feel like the team is, like, defensive centered. The defense is ridiculous, and I think if they can stay healthy, they can make it happen. Hopefully my prayers are is that nobody on the defense gets injured or nobody that's critical on offense gets injured. They are looking good. When you have stars, the coaches tend to call the game differently because obviously you have somebody that you feel is more capable of doing the things that you would like to do but I hope they don't change because their defense is single to none.

Q. What do you say to the fans that say we want cooper?

BRICE BUTLER: The fans have no say in anything. They don't. I should be very shocked if Dak is healthy and ready to play and they decide to go -- it's not the

same thing. When you think about it, Dak is our future. No shade to cooper. Cooper is my dog. I'm happy for him.

Q. Who do you think has the best fan base in all of football?

BRICE BUTLER: The best fan -- the craziest fan base, I would say the cow buys.
