Quick Quotes

Q. Why are you so good at being on the winning team in New York?

KAROLIN LAMPERT: Yeah, it was a very different team to last year. I think we had a great team spirit, all of us together. We played a lot of rounds before with each other. Yeah, it was great. We had a great amateur as well. She was great to play with, and yeah, it's always nice to be on the winning side.

Q. What did the amateur say this morning on the first tee?

KAROLIN LAMPERT: It was yesterday. Yesterday we didn't even tee off and she said, "Guys, we are going to win this." We all looked at each other like it was blowing hard on the first, like yeah. No one really said anything. We're like, okay.

But then we didn't have the best start yesterday but on the back nine we started to make some putts and some birdies and obviously today was very good and yeah, all the other teams were looking at our score like what the hell are they doing. No, it felt a little easier today than yesterday.

Q. Why did you pick her?

JOHANNA GUSTAVSSON: She's a great person to be around and she's played really good. She's a great player and why wouldn't you?

KAROLIN LAMPERT: Definitely great on this course. Feel like it's good on any golf course.

Q. And this is your first win on the LET, unofficial but official.

JOHANNA GUSTAVSSON: It's a win, yes. It's a team win and it's just great to celebrate with the others and have this kind of -- the joy is so much better when you

share it as well. It's just been great and having Jennifer with us as well, she's got a bright future, turning pro soon, and I think we'll see her again.

Q. Jess, what's it like to win alongside friends who have been on tour and get over the line in the team event?

JESSICA KARLSSON: So much fun. We had so much fun the last couple of days. It's great to share it with someone, so really good.
