Quick Quotes

Q. Great round, great finishing, started the day four shots back. Was it a matter of Lexi not letting anyone get too close for too long?

BROOKE HENDERSON: Looks like she's playing great out there which is nice to see. I'm happy for her. It will be a big win. I feel like I was just trying to make some birdies and climb as much as I could. I was happy to shoot 4-under out there. It was windy out there.

Q. Talk about the long putts?

BROOKE HENDERSON: Through the front nine, I was like, man, I really need to get going here, shoot 4-under on the back was really nice and that long putt on 14 really kept the momentum rolling and was able to back it up on the par 5 the next hole and made birdie there. I'm happy the way I finished, overall it was a good day.

Q. What positives do you take away from this?

BROOKE HENDERSON: I feel like my game is in a good spot which is exciting leading into the rest of the LPGA season in a few weeks and hopefully I can finish strong because it's been a really fun year and I have two wins out on the LPGA and I just feel like if I can just keep the game rolling.
