Q. Frustrating front nine but you shored\Nome form on the back nine how was your day?

NELLY KORDA: It was very frustrating, very odd on the front nine. I just didn't feel like myself. But then got it going on the back nine and finished strong. It was a good confidence boost.

Q. And when you're in that kind of frustration, how do you snap out of it?

NELLY KORDA: You try everything possible. I think you turn to your caddie and just kind of go through the basics and figure it out.

Q. Just a quick word on Lexi, back in the winner's circle since 2019, pleasing to see a fellow pro doing well again?

NELLY KORDA: Yeah, it's really nice to see her win and it's really good for golf for her to win as well. She played really solid golf and she's been playing really solid golf this year. It was just around the corner.

Q. Just a word on the Aramco, you've played in a couple events, would you like to play more events?

NELLY KORDA: Yeah, I really enjoy this type of format. It's really nice to kind of try something new throughout the year. Golf is such an individual sport, so it's nice to do a little team aspect to it.
