## Madelene Sagstrom

### Quick Quotes

**Q. Madelene, you must be happy with your week, in the mix for the win today, and you played really well.**

MADELENE SAGSTROM: Yeah, absolutely. We all come out here to try and win. That's what the mindset was coming in for the week. I haven't really been in this kind of situation for a while, so it's nice to be back.

**Q. What can you learn from playing in a group with Nelly and Lexi, really top players in the world? What do you take away from that?**

MADELENE SAGSTROM: I think every time we play with top players, it makes you a little better. Playing with them and being comfortable and being in that situation is always good. I felt really comfortable all day. I knew I kind had a shot there going into the back nine but I couldn't really pull it off but it's always good when you put yourself in that situation. You can learn Sox. To learn to win, you have to be there.
