Quick Quotes

**Q. Very well played once again in this event. Something about this format, clearly, you enjoy, a good round out there individually, and as a team. So tell me about your day.**

NICOLE GARCIA: Yeah, I love the team format. I think I always play a little bit more relaxed golf in the team format and I always enjoy this golf course. This golf course suits my golf. Yeah, it was a nice good individual scores.

**Q. Cassandra, you know what it takes to win this event, as do three of this team, so tell me about your day. I know you said you didn't quite go so well individually but nevertheless it is a team event?**

CASSANDRA ALEXANDER: Yeah, I still made a couple birdies which helped the team. But like Nicole said, it's a nice format and nice and friendly and fun, so it takes the pressure off a little bit.

**Q. First time I can remember this, three former champions in this event; does that help? Is there a bit of self-confidence in the team that you know what you need to do out there?**

TEREZA MELECKA: Absolutely. It was great, and it's good that we are all winners and the confidence is up, so things, we did good.

**Q. And quite important to go out there in the morning when the wind is a bit lower in Saudi Arabia because it's brutal in the afternoon at times, so a good time to make a good score?**

TEREZA MELECKA: Yeah.

**Q. I hear good things from the score, I saw you on 18, an excellent shot in. So tell me how was your**

**experience like out there with these three? Did they treat you nicely?**

SONIA BAYAHYA: They were so sweet, my comrades. It was a good day and good game and good course.

**Q. What were your expectations going out there? I know it can be quite nervous playing with some of the pros but these seem to be quite nice people you're playing with.**

SONIA BAYAHYA: I was quite nervous but they were so sweet.

**Q. Let's get an answer on your performance from the captain. She did pretty well out there, Captain?**

NICOLE GARCIA: It's always great to have a good player. We were excited when we heard we had a young girl playing with us, so that was quite nice. She's a really good player and she made some good putts, and she also made a good birdie on 18 and 8, 40-yard putt. She's pretty consistent, so good off the tee, so a lot of par saves which was really nice. It's just nice to be out with one of the young, up-and-coming girls.
