Quick Quotes

Q. Round of 5-under to start the week. How did you find the slightly windier conditions this afternoon?

JOHANNA GUSTAVSON: Obviously when we were here earlier this year, it was a lot more wind. So it was quite nice. We are used to playing this course in wind. So you know the wind because it's always the same as well.

But I mean, I played all right. I'm not going to say, I wasn't great off the tee. My drive wasn't great. But I putted really well. I holed some nice putts and I'm just going to try and keep that momentum going for tomorrow.

Q. There was only one bogey on the scorecard, so you made five birdies?

JOHANNA GUSTAVSON: It was good. Solid even though it felt like the drive felt like it was close to not being on the course a lot. That's fine. Some days I like that. It was great fun. I had a great time with the team and that's the thing about these events, you just think about the team score, really, and you just count the birdies for the team and not really for yourself.

Q. How is it being back at this course? This is where your season kick started back in March. What's it like to be back?

JOHANNA GUSTAVSON: It's great. I do enjoy it around here. Obviously suits me. Yeah, nice bit of sun.

Q. And tomorrow obviously you'll be out earlier, so maybe a bit calmer conditions hopefully in the morning, cooler. What are you expecting?

JOHANNA GUSTAVSON: I mean, I know that the team is ready to go. I think we are just hungry for birdies and less wind is always nice.

Q. Coming off of New York, you were the winning team captain there. Do you feel any pressure with that or is it just a fun thing that's happened this year?

JOHANNA GUSTAVSON: It's obviously a bonus every time, like if you finish well in a team event, it's such a nice bonus. We are obviously going to try and finish as high as we can. Haven't looked at the scores yet but we're being off in the morning, maybe we can post a nice score and put some pressure on them.
