Quick Quotes

Q. Round of 4-under, following up another solid round yesterday. How have you found the first two days here at Royal Greens?

ALEXANDRA SWAYNE: Not too bad. I don't mean to harp on the past but in the past, I went 79, 75, so I'm a lot happier with my rounds out here.

I'm just learning as a professional golfer that you have to not care and not have expectations and it's taking me my entire rookie year to figure it out, so I'm really pleased with where I'm trending.

Q. In terms of the team format, you are leading at the minute, how much fun has it been out there to be playing with the team?

ALEXANDRA SWAYNE: Surprisingly a lot of fun. I played college golf, I played high school golf, and it didn't compare to what it is out here.

You know, obviously these are my competitors, but I was really happy for them. Maybe because there's a nice prize on the line but I really enjoyed my group. We had a great time and I think it made a difference.

Q. You played well, Laura played well, and you're playing well in the group. What's it like having an amateur out there as well?

ALEXANDRA SWAYNE: She had double-eagle today. It was awesome. She was really gray. She didn't take the atmosphere of a pro tournament to heart, like she was just out there to have fun and play golf and that's really what the amateurs are here to do and I'm glad she was able to do that. She was helpful and a pleasure to be around.

Q. Looking forward to tomorrow, you'll be in one of the later groups --

ALEXANDRA SWAYNE: I hope it gets a little windy.

Q. I was going to say, it will probably be a little bit windier conditions for you tomorrow because you're

going off a little later. What will you take into the final day?

ALEXANDRA SWAYNE: I'm hitting it great. I'm not hitting my wood so well so I'm going to go hit on the range for a little bit. But the wind has not been touching my ball and I have to take that consideration. If it touches it tomorrow, I'll take that in consideration. Just go out, have fun.
