## Charley Hull

### Quick Quotes

CHARLEY HULL: It was a really, really good front nine. I missed a three-foot birdie putt on 5. I missed -- I lipped-out on 3 for, birdie and edged a hole on 7 for birdie. So I could have been 9-under but I'm not complaining.

**Q. You have the lead with 18 holes to go, playing beautifully. What's been the difference? You won on the LPGA a few weeks ago and you're doing so brilliantly here. Can you pinpoint it?**

CHARLEY HULL: Not really, no. I think I've just put some good work in this year and now it's all coming to the. I wasn't actually all that confident before I came out this week. I was just feeling a bit anxious but I feel better now. I've played some golf and just enjoying it out here.

**Q. Surprising to hear you say that you haven't been to the gym.**

CHARLEY HULL: I haven't been to the gym in six months and I'm not going to go to the gym anymore because I play better golf when I don't go to the gym, and I eat pretty healthy and I prefer the way I look when I don't go to the gym. I'm quite an active person, anyway. I don't have a driver's license, so I walk everywhere.

**Q. Focusing on tomorrow, winning this championship, you have to be looking forward to the final round, and you're hitting it a long way. What did you have in to 18?**

CHARLEY HULL: I had a 6-iron but I was right in between 6 and 7, but I went with a little 6 but I could have got the 7 there. Made a good up-and-down and yeah, looking forward to going back and have a shower now because I'm so sweaty.
