team series

Q. Another solid day on the golf course here at Royal Greens, as you just mentioned another double on the card, however, many birdies, eagle again. How did you find today?

VIRGINIA CARTA: It was really good. I really played for the team today. I gave it all. I really wanted us to have a chance. We were sitting on the lead, even with the subtraction of five shots for the handicap problem, and so I just really just gave it all.

I'm exhausted. I played good, consistent, consistent off the tee, a few unlucky lies to be honest. I had one really unlucky where I could barely stand on the ball. I had my feet down in the bunker. Yeah, as you said, a double-bogey but for sure on 3, I made it up with a nice eagle on 4. So plenty of opportunities and I'm happy with where I stand.

Q. Very congested on that leaderboard, a lot of you at the top. How do you feel heading into tomorrow?

VIRGINIA CARTA: Good. I will just take it one shot at a time and see. I think I made eagles in the front holes and birdies on different holes every day. So I think there are birdies opportunities out there and it's just a matter of giving myself some chances and opportunities and trying to make some good putts.

Q. Is there any specific mental approach that you're going to take to tomorrow?

VIRGINIA CARTA: Just that. I will just review the basics of my technique, maybe now, and go from there and try to keep that confidence for tomorrow.
