Quick Quotes

NICOLE GARCIA: We've obviously had a few rounds together and we have known each other for a long time so before we even knew we were in the playoff, we had spoken yesterday in the round and I said if we do get into a playoff, you know you're in. So it was already decided yesterday.

Q. Well played, you finished a couple of hours before you had to go down 18. Talk us through the second shot into 18. Was it nerve-wracking? What club did you have in hand?

CASSANDRA ALEXANDER: It was a bit nerve-wracking but I kind of knew what I was going to have in for my previous -- from my playing earlier.

So I went to the range and hit a couple and kind of had an idea what I was going to hit. Took a 7-iron and fluffed it a little bit. I still had a putt left-to-right, but a fluff 7-iron was enough to get the job done.

Q. How has it been playing off this enigmatic team?

TEREZA MELEKCA: I'm speechless; the team and the atmosphere and everything was so great. So I'm very happy to be part of this team, and I'm speechless, so happy.

Q. And Sonia, what a moment for you, playing with these three professionals and being part of the winning team.

SONIA BAYAHYA: Yeah, it's a really good experience. Really the playoff victory was so good. I was really a part of the team, and the girls were so sweet with me. Thanks to them and thanks to all of Aramco Team Series.
