LAS VEGAS 2024

Q. Brooks, congratulations on your very first team win this season. With today's conditions, your team turned up and won with a commanding lead. Does this speak of the experience that you've stacked your team with?

BROOKS KOEPKA: I think so. I think the guys played really well today. G-Mac I think had 5-under. Impressive today with the way the wind is. He's a good competitive player, and happy to have him here. Gooch obviously played really well, and J did what he was supposed to do. Happy to get the team win, and just excited that it's the start of many things.

Q. G-Mac shot 5-under bogey free. How proud are you of him because he didn't have the best week last week?

BROOKS KOEPKA: Yeah, we had a chance going in I think on Sunday. G-Mac didn't play good, but he obviously learned something from it and took it to this week. But super proud of him, super proud of everybody. They played really well. Like I said, hopefully just the start of things.
