Quick Quotes

Q. Do you feel worse for the team or for Ban, or both?

BRYSON DeCHAMBEAU: Both. It sucks. Losing is never fun. That's what makes winning so much better. I feel for Ban.

Q. Talk about the playoff for you guys.

BRYSON DeCHAMBEAU: I was hitting it terrible all day. I thought I'd be okay hitting a 3-wood out there, and I just blocked it and the wind didn't take it back, and it was really weird, the wind just didn't help us today. We got it to a couple ahead and we had it, and yeah, we just didn't finish it like we normally do.

Q. Do you kind of feel like fate played a little bit of a part?

BRYSON DeCHAMBEAU: Definitely, but we should have kicked their ass. It is what it is, and we didn't. We just didn't get the job done. I think we'll learn from that, and we're going to come back working harder and hopefully we'll not have those mistakes ever happen again, because we're too good of a team to have those stupid mistakes happen.

Q. You gave Ban a long hug afterwards. Can you say what you said to him in that moment?

BRYSON DeCHAMBEAU: You're playing great golf. I know you've had some weird stuff happen. Keep your head high. You're a great player. It's going to happen. Two weeks from now, we've got another tournament. You've got to focus up and get ready for the next one. Don't reminisce.
