Quick Quotes

Q. Would you have taken this at the start of the week?

GRANT FORREST: It was okay.

Q. Just okay?

GRANT FORREST: Decent result. Yeah, obviously hoped for a better weekend. But to be honest didn't really have my best stuff at all. Was a bit of a battle, especially today. Yeah, try and get a score. Stings a wee bit to drop one on 17 there, 3-putting, but all in all, it was a decent week.

Q. In terms of where this puts you towards the end of the season, this is huge, isn't it, because the best field of the year so far in the DP World Tour and double points.

GRANT FORREST: Yeah, obviously we have so few of these Rolex Series Events now, definitely there's so much more weight to them.

Yeah, definitely a good step in the right direction in terms of points. Nice to get on the board this week. Lots of work to do for the rest of the season.

Q. Top Scot this week, so you are going home with a trophy, the Jock MacVicar Trophy. How pleased are you to pick that up after Bob picked it up last year, obviously?

GRANT FORREST: Yeah, it's great to honour Jock's memory. Known him for sort of most of my golf career from junior days till he passed away. Great honour to pick up his award.
