Kevin Roy

Quick Quotes

Q. How did you find it?

KEVIN ROY: Yeah, pretty challenging, especially this is my first time ever in Scotland. I feel like we've seen it all, sunshine, rain, wind. But yeah, the wind was up. Obviously the fog was coming in and out, and you know, the course started to firm up.

So yeah, the conditions were pretty tough

Q. Were are you disappointed they called play? Because you were playing a little bit?

KEVIN ROY: Yeah, obviously a little bit, when you've got it going you'd love to finish, but it's all right. I'm feeling really good with my swing and hitting a lot of fairways and a lot of greens. It's fine. Hang out and first name tomorrow.

Q. Unusual but something you're used to; the fact that you have to play four more holes and 18 tomorrow, what mentality or attitude do you have to bring to the course?

KEVIN ROY: Yeah, just kind of keep doing what we've been doing. You know, I feel like we're in a really good spot. You know, I know there's some spots to get into The Open. So I've got really nothing to lose. Got to go out there and keep trying to make a bunch of birdies and see where we end up.
