Quick Quotes

Q. Thoughts on the day?

WYNDHAM CLARK: I loved it. It was nice. It's hot back in the States. So overcast and minimal wind, sweater weather is always good to play golf in.

Q. Disappointed that this rolled in? You were making a move north of the leaderboard.

WYNDHAM CLARK: Yeah, it's more disappointing that we didn't get to finish tonight so that we'd have twos tomorrow. Who knows what they will do. It's just always nice playing twosomes on Sunday. I don't know. And we're going to be able to sleep in. So it makes for a shorter night. But whatever. It is what it is.

Q. A little more than 18 to play tomorrow. What attitude do you bring to the golf course when you have that type of schedule ahead you have?

WYNDHAM CLARK: Just hope you bring your game tomorrow. It's nice, you get to play -- I'll play like 21 holes. If you play it good, you just keep it going.
