Quick Quotes

Q. Sum up the day.

ROBERT MacINTYRE: The week overall was a good week. I've got to look at the positives in that third-place finish, having a chance, went out today, having a chance going into the back nine today. I know it was a bad start. Wasn't to be.

But yeah, again look at the positives and try to take the positives. It's a good week, third place. Yeah, good signs.

Q. In terms of how you played in the final eight holes, going into The Open Championship, a couple missed putts.

ROBERT MacINTYRE: Yeah, I'm in good position. I didn't putt it as good as I wanted to this week. I didn't hole the putt I expected to hole. But that one on 18, I'm standing over that thing with no other thought than this ball is going in the hole. Just because the way I normally putt, the way I'm rolling it, I misread it.

The greens are tricky. Links golf, that's what saves links golf is the greens are so subtle, and yeah, that one just didn't move as much.

Q. They've put a lot into this tournament but it seems to be working.

ROBERT MacINTYRE: Yeah, the guys put an unusual effort into it, into the golf course, and the hospitality, the players. I know I might be being biased but I think this is one of the best hospitality that we get anywhere in the world, if not the best.

The fans have been incredible. I am being biased but best fans in the world. They showed that in Boston, as well. Yeah, coming home here, playing The Scottish Open, having a chance to win with the whole crowd behind you is unbelievable. Just walking up that par 3 is special. Just a shame I couldn't give them something.

Q. Start travel tomorrow?

ROBERT MacINTYRE: Yeah, I will do. Travel down in the morning and probably play later on tomorrow.
